

# Anker SOLIX A17X8 Smart Plug

## Built with Safe Materials

Fireproof PC Material

Wi-Fi and Bluetooth Connection

Max 2500W Input

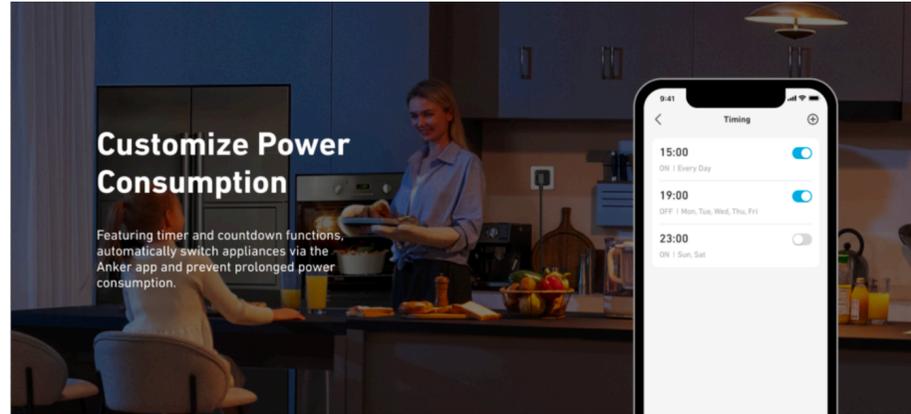

2-Year Warranty

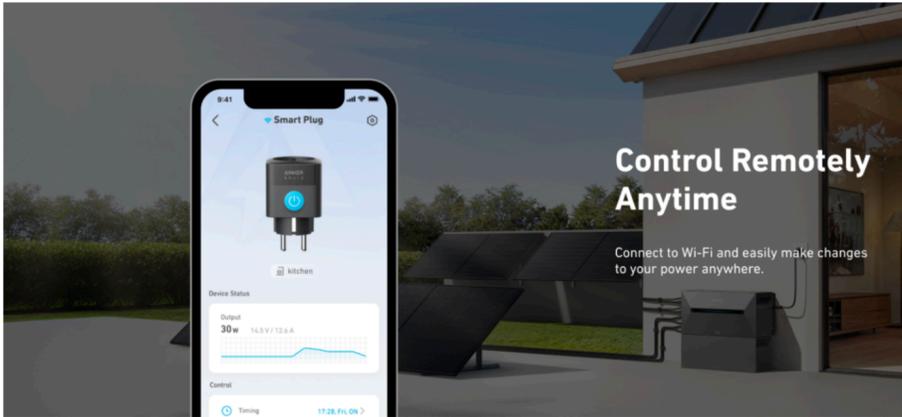

### Plug and Play

Avoid hiring a costly electrician. Smart meters need to be installed on a rail, but Smart Plug is installed in just 3 seconds, all by yourself.

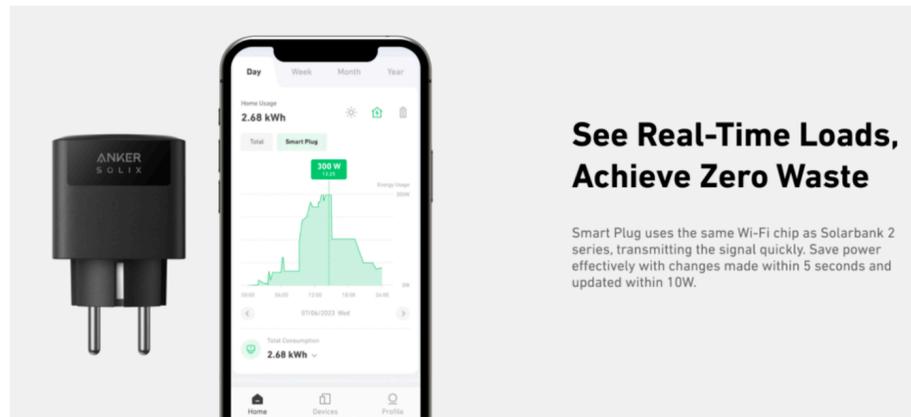

### Customize Power Consumption

Featuring timer and countdown functions, automatically switch appliances via the Anker app and prevent prolonged power consumption.

### Control Remotely Anytime

Connect to Wi-Fi and easily make changes to your power anywhere.

### See Real-Time Loads, Achieve Zero Waste

Smart Plug uses the same Wi-Fi chip as Solarbank 2 series, transmitting the signal quickly. Save power effectively with changes made within 5 seconds and updated within 10W.

### Smart Meter Info
