The BISSELL® Multi-Surface Tangle Free Brush Roll helps you make the most of your BISSELL® CrossWave®, CrossWave® Pet Pro or your CrossWave® Cordless. It's safe and effective on area rugs and sealed hard floors, so you can go from washing the kitchen floor to refreshing a nearby area rug. It has Tangle-Free technology, so you don't have to deal with the annoying hair that can sometimes wrap around brush rolls.* It's made with scrubby bristles to loosen tough pet messes up off the floor and sweep them into the machine. Make sure to replace your brush roll every 6 months so you know you're getting your best clean.
