Originalbedienungsanleitung

WARNUNG WARNING

DE Kleine Kinder können sich mit Schlaufen in Zugkordeln, Ketten, Bändern und innen liegenden Kordeln, die für die Nutzung des Produkts notwendig sind, strangulieren. Halten Sie die Kordeln von Kleinkindern fern, um ein Strangulieren und Erdrosseln zu verhindern. Die Kordeln könnten sich im ungünstigsten Fall um den Hals eines Kindes wickeln. Stellen Sie Betten, Kinderbetten und Möbel nicht in die Nähe der Kordeln der Fensterabdeckung auf. Knoten Sie die Kordeln nicht zusammen. Achten Sie darauf, dass sich die Kordeln nicht verknoten oder eine Schlinge bilden.

EN

Young children can be strangled by loops in pull cords, chains, tapes and inner cords that operate the product. To avoid strangulation and entanglement, keep cords out of the reach of young children. Cords may become wrapped around a child's neck. Move beds, cots and furniture away from window covering cords. Do not tie cords together. Make sure cords do not twist and create a loop.

If your window is short and to prevent the wheel from filling with cord - proceed to steps 9 and 10.
Wenn Ihr Fenster zu kurz ist und die Kordel zu lang für das Rad ist, fahren Sie mit den Schritten 9 und 10 fort.
