

LED Spotlight Features

Motion Activated

The light instantly turns on when it detects motion from up to 25 feet away.

Easy to Install

No wires = quick and easy installation in less than 5 minutes; no electrician required.

Long Battery Life

The light is designed to get 1 year of life on each set of batteries with average use of 8 activations a day.

Bright LEDs

The bright, powerful LED provides 400 lumens of white light. Designed with custom optics for the perfect intensity and focus.

Multipurpose

Perfect for closets, pantries, showers, stairways, sheds, porches and storage rooms.

Durable, Weather Resistant

Tight seals and UV resistant material allow the light to work in all weather conditions.
