# SLIM+ MINI

## 250 LUMEN POCKET FLASHLIGHT

The ultra-thin profile body makes it one of the easiest flashlights to carry. USB-C rechargeable with 2 light modes offering up to 250 lumens and a max 10 hour run time. The magnetic base allows for convenient, hands-free lighting. With an IPX4 rating for water-resistance and an anodised aluminium body, it is built to withstand the demands of daily use and even the inconvenient rainstorm.

**MODES**
